Comfort & Confidence

DENTISTRY & COSMETOLOGY

In This Issue:

Pg 2: What type of brusher are you?

Pg 3: Ask Dr. SG

Pg 4: Tooth decay: Learn to spot the warning signs

Ask us about our COVID-19 safety plan

Don't suffer those headaches anymore!

Did you know, your migraine or frequent headaches could be related to issues to your bite.

We have treated chronic headaches with a simple device. Get yourself checked today!

Continuing education... because the more we learn, the better we can serve you!

Certificate

Dr Shruti Goel

has successfully attended a WEBlec and Demo

"The Science & Art of Direct Posterior Composites"

on 23rd Aug 2020

Dr. Vishal Gupta
Course Director

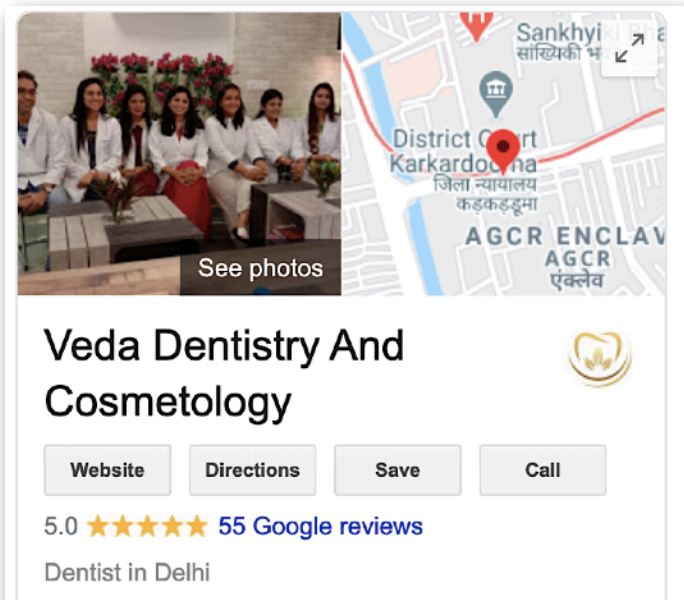

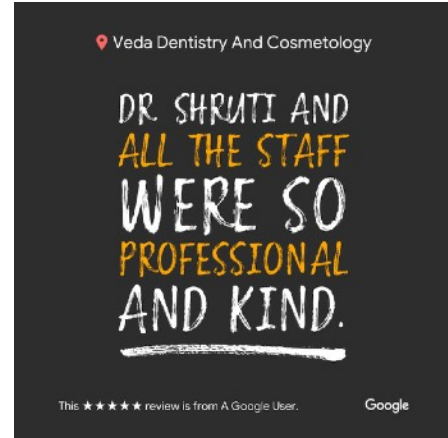

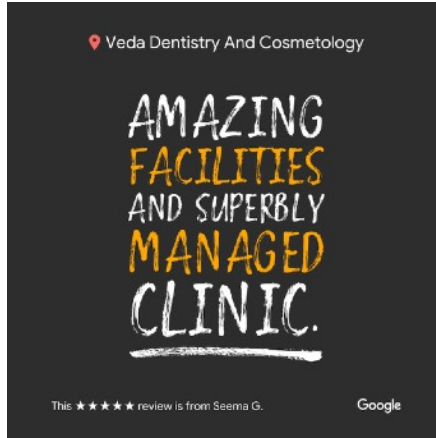

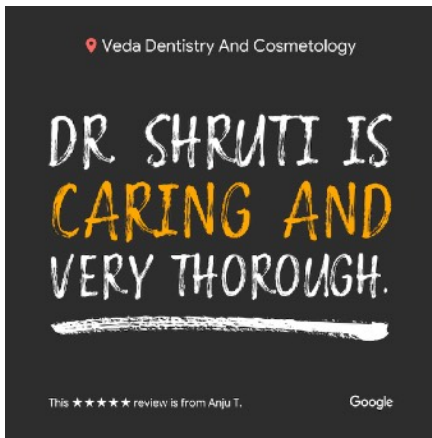

The best time to get **Braces** for your children!

With schools closed for an extended period of time, keeping dental appointments for braces has never been easier! Get braces done now and your child will get a perfect smile by the time schools reopen :)

Veda Dentistry And Cosmetology

WE ARE PROUD TO BE A **5-STAR** PRACTICE

Thank you for
Fifty five 5-star
Google reviews

The best compliment
you can give us is a
referral!

ASK DR. SG

Q: I am a 35 year old female.. Can I get braces done? - Nikita Bansal

A: Of course, as long as you have healthy teeth in your mouth you can get braces done. This is a common myth that braces are only for children or adolescents.

Looking for dental answers? Message us your queries and we will reply!

Thank You!

You are the Best!

We would like to thank the following well-wishers for recommending us to someone in the month of August

Mr. Akhil Prakash
Mr. Shashwat
Mr. Pankaj Mittal
Dr. Bhawna Gautam
Dr. Nasreen
Mrs. Devki Sharma

IT'S FLU SEASON

Change your toothbrush after you're sick

Tooth Decay: Learn to spot the warning signs!

AMERICAN DENTAL ASSOCIATION CARIES CLASSIFICATION SYSTEM						
Sound	Initial		Moderate		Advanced	
ICDAS 0	ICDAS 1	ICDAS 2	ICDAS 3	ICDAS 4	ICDAS 5	ICDAS 6
Appearance- Normal	White or yellowish spots on teeth		Breakdown of tooth structure (cavity) looks brown or black			
Symptoms- No	No symptom		Occasional Sensitivity to cold			
Treatment- Not required	Sealants, Fluoride varnish, remineralising tooth paste, Resin Infiltration		Silver diamine fluoride application or Filling			

Most tooth problems do not have any symptoms in beginning. If you go for a 6-monthly check up, most of the problems can be addresses when they begin. *Thus saving time, money and your tooth for you!*
